almost everyone s exposure to astrology begins by learning their sign or sun sign when someone asks what s your sign for the first time you re likely to figure it out based on your birthday then you can look up interpretations for your sun sign as well as read your daily horoscope the sun signs aries through pisces have a mythical connection to the constellations whose names correspond to the signs of the zodiac this sequence of signs in the zodiac and the corresponding schedule of dates in the calendar year are perhaps the most widely known and available pieces of astrological information when you read your horoscope it is based on the effects that the planets have on your sun sign while they are moving through the various areas of the sky there are also sectors or houses the planets enter that have an effect on your sun sign the purpose of this book is to provide the basics on sun sign astrology and sun sign horoscopes have you ever been confused by your horoscope stating something like when jupiter enters your sign on the 24th you will or as saturn enters your 7th house now you have a reference guide to understand what exactly those phrases mean you can look up the planets effect the signs and the sectors or houses and truly understand sun signs are fun and somewhat accurate but i encourage you to look at the section beyond at the back of the book to develop some understanding about the effect of full natal astrology

the new york times bestselling author s classic guide to astrology what makes sun signs different is that much of the writing is done with humor the boston globe before 1968 astrology as we know it had a very limited following in the united states and around the world the publication of linda goodman s sun signs changed that forever newspapers began running astrology columns and soon an increasing number of people knew their sign as well as yours and began to study astrological tendencies linda goodman s sun signs quickly established itself as the worldwide introductory bible to astrology for beginner and expert alike the book s simple organizational technique made it easy for everyone to follow and understand themselves and others sign by sign this updated edition of the groundbreaking classic is an enjoyable way to discover the world of astrology today

whether you are looking for marriage partnership or simply companionship choosing a lover can be a tricky business attraction is a complicated matter of psychology emotion and physicality how do you know when you can trust your instincts many people have fallen in love at first sight and later found that such love didn t endure people don t come into the world with instruction manuals for how to love or live their lives how do you find your soul mate where can you look for direction sun signs for lovers is a guidance manual that is literally written in the stars it leads you through the process of understanding how your sun sign reflects who you are how your sun sign behaves in relationships how to choose other sun signs that are most compatible with your own for each sun sign cass and janie jackson tell you where you are most likely to find your compatible partner and list 3 separate sun signs that may be most compatible with yours

what sets this book apart from other astrology titles is kriyananda s focus on the spiritual potential of each sun sign rather than focusing mainly on the karmic limitations it is so common to hear generalizations such as leo is proud and taurus is stubborn in his book kriyananda shows how with awareness attention and will one can cultivate the higher potential of his sign leading to greater fulfillment and success leo can shine as a channel of light and creativity without pride if he remembers that spirit not ego is the doer taurus can be the essence of loyalty and perseverance without being stubborn if he develops an inner fixity of purpose while practicing an outward

flexibility in other words the horoscope shows karmic patterns of energy we can learn to work with these energies and develop their more refined higher octaves which will then magnetize new possibilities into our lives the fundamental point is that the horoscope shows one's karmic energy situation but not who he really is the spiritual self within kriyananda's approach is to encourage and inspire one's self to awaken and to express itself through the sun sign within each of us is vast potential to be awakened your sun sign as a spiritual guide is a beautifully inspiring book that will open doors and encourage one in this direction this book also guides the seeker to an understanding of the subtle aspects of the spiritual path as it manifests for him through his particular sun sign yogic understanding is rich and often runs counter to prevailing thought so too with astrology the reader will find vistas of understanding opening as he takes the words and guidance of this yogic view of astrology to heart this book reassures the reader that sun sign weaknesses can be spiritual strengths if pursued rightly it also warns one not to rest on the laurels of sun sign strengths but to go much deeper concentrated deep wisdom is available to the seeker in this brief easy to digest book that helps the reader to understand himself and others from a higher perspective
