libby libby short wrote this text based on their belief that the subject of financial accounting is inherently interesting but financial accounting textbooks are often not they believe most financial accounting textbooks fail to demonstrate that accounting is an exciting field of study and one that is important to future careers in business when writing this text they considered career relevance as their guide when selecting material and the need to engage the student as their guide to style pedagogy and design libby libby short is the only financial accounting text to successfully implement a real world single focus company approach in every chapter students and instructors have responded very favorably to the use of focus companies and the real world financial statements the companies chosen are engaging and the decision making focus shows

the relevance of financial accounting regardless of whether or not the student has chosen to major in accounting

millers test prep s study guide for the accuplacer is the solution for students who want to maximize their score and minimize study time our study guides are carefully designed to provide only that clear and concise information you need that s precisely why we put clear concise on our cover the standard for the study guide industry is to throw in the kitchen sink when it comes to making a book meaning you are stuck with hundreds of pages of repetitive information redundant and confusing examples and

more practice questions than any person could be expected to work through this results in students feeling overwhelmed leading to reduced self confidence which leads to lower scores instead miller test prep has worked specifically with tutors why tutors you ask tutors specialize in helping students comprehend information that has already been presented by a teacher that means they see time and again what students struggle with and what actually works to help them they specialize in helping students who have previously failed to succeed we compiled their decades of experience helping students just like you into this study guide so you pass the first time in this accuplacer book we ensure you are thoroughly prepared for this critically important test comprehensive review of all accuplacer exam sections reading comprehension sentence skills write placer mathematics step by step examples for every concept tested practice test questions like the real exam detailed thorough answer key explanations 6 complete essay examples with scoring explanations

each chapter of the study guide includes speaking economics vocabulary sections chapter highlights important concepts skills and tools exercises involving quantitative problems and practice tests
